

TSA CONTRACT CAMPAIGN
July 20th – August 31st

HOW IT WORKS: When a member recruits a new member, the recruiter and new member jointly must fill out (*legibly*) TSA Form 1158-1, and the Campaign Rebate form and sign both forms.

Processing of new members applications and rebate forms: All new member Form 1158-1 and rebate forms must be turned into your local president for processing and a rebate check will be mailed from national, if the recruiter and new member prefers \$\$ CASH \$\$ up front upon joining, arrangements can be made for this process by contacting your local president.
