REMINDER:

A "Special Meeting" has been scheduled for all TSA union members who are located at the airports listed above on Friday, October 14, 2011. This meeting will be held at:

**DFW International Airport
"B" Terminal ("DFW Lounge") Near B-23
(Note: Enter @ checkpoint B18)

The purpose of this meeting will be to adopt the constitution & Bylaws that will govern Local 1040. Please don't miss this important opportunity to be a part of history as the guidelines for this local are established. A model copy of the Constitution & Bylaws will be made available to each attendee to help simplify and guide the adoption process. Once the Constitution & Bylaws have adopted, I will work as quickly as possible to hold an Election for Local 1040 permanent officers.

Following the adoption of the Constitution & Bylaws, in the same meeting, an Election Committee will be put in place so that we can move forward with the election of permanent officers for Local 1040. The Election Committee will then draft the nomination and election notice to be provided to each member of the local.

If you have any questions or need further assistance feel free to contact myself or Dr. Arla Johnson, Administrative Assistant in the District Office for assistance at 210-735-8900. I look forward to seeing each of you at this very important meeting!
